

## Comparison of IDEA '97 to H.R. 1350 as Passed by Congress – November 19, 2004

IDEA '97 - Current Law	H.R. 1350 as Passed by Congress
<p><b>PART C – INFANTS AND TODDLERS WITH DISABILITIES</b>  <b>SEC. 631. FINDINGS AND POLICY.</b></p> <p>(a) FINDINGS- The Congress finds that there is an urgent and substantial need --</p> <ul style="list-style-type: none"> <li>(1) to enhance the development of infants and toddlers with disabilities and to minimize their potential for developmental delay;</li> <li>(2) to reduce the educational costs to our society, including our Nation's schools, by minimizing the need for special education and related services after infants and toddlers with disabilities reach school age;</li> <li>(3) to minimize the likelihood of institutionalization of individuals with disabilities and maximize the potential for their independently living in society;</li> <li>(4) to enhance the capacity of families to meet the special needs of their infants and toddlers with disabilities; and</li> <li>(5) to enhance the capacity of State and local agencies and service providers to identify, evaluate, and meet the needs of historically underrepresented populations, particularly minority, low-income, inner-city, and rural populations.</li> </ul> <p>(b) POLICY- It is therefore the policy of the United States to provide financial assistance to States --</p> <ul style="list-style-type: none"> <li>(1) to develop and implement a statewide, comprehensive, coordinated, multidisciplinary, interagency system that provides early intervention services for infants and toddlers with disabilities and their families;</li> <li>(2) to facilitate the coordination of payment for early intervention services from Federal, State, local, and private sources (including public and private insurance coverage);</li> <li>(3) to enhance their capacity to provide quality early intervention services and expand and improve existing early intervention services being provided to infants and toddlers with disabilities and their families; and</li> <li>(4) to encourage States to expand opportunities for children under 3 years of age who would be at risk of having substantial developmental delay if they did not receive early intervention services.</li> </ul>	<p><b>PART C--INFANTS AND TODDLERS WITH DISABILITIES</b>  <b>SEC. 631. FINDINGS AND POLICY.</b></p> <p>(a) FINDINGS.--Congress finds that there is an urgent and substantial need--</p> <ul style="list-style-type: none"> <li>(1) to enhance the development of infants and toddlers with disabilities, to minimize their potential for developmental delay, <b>and to recognize the significant brain development that occurs during a child's first 3 years of life;</b></li> <li>(2) to reduce the educational costs to our society, including our Nation's schools, by minimizing the need for special education and related services after infants and toddlers with disabilities reach school age;</li> <li>(3) to maximize the potential for individuals with disabilities to live independently in society;</li> <li>(4) to enhance the capacity of families to meet the special needs of their infants and toddlers with disabilities; and</li> <li>(5) to enhance the capacity of State and local agencies and service providers to identify, evaluate, and meet the needs of all children, particularly minority, low-income, inner city, and rural children, <b>and infants and toddlers in foster care.</b></li> </ul> <p>(b) POLICY.--It is the policy of the United States to provide financial assistance to States--</p> <ul style="list-style-type: none"> <li>(1) to develop and implement a statewide, comprehensive, coordinated, multidisciplinary, interagency system that provides early intervention services for infants and toddlers with disabilities and their families;</li> <li>(2) to facilitate the coordination of payment for early intervention services from Federal, State, local, and private sources (including public and private insurance coverage);</li> <li>(3) to enhance State capacity to provide quality early intervention services and expand and improve existing early intervention services being provided to infants and toddlers with disabilities and their families; and</li> <li>(4) to encourage States to expand opportunities for children under 3 years of age who would be at risk of having substantial developmental delay if they did not receive early intervention services.</li> </ul>

IDEA '97 - Current Law	H.R. 1350 as Passed by Congress
<p>SEC. 632. DEFINITIONS.</p> <p>As used in this part:</p> <p>(1) AT-RISK INFANT OR TODDLER- The term 'at-risk infant or toddler' means an individual under 3 years of age who would be at risk of experiencing a substantial developmental delay if early intervention services were not provided to the individual.</p> <p>(2) COUNCIL- The term 'council' means a State interagency coordinating council established under section 641.</p> <p>(3) DEVELOPMENTAL DELAY- The term 'developmental delay', when used with respect to an individual residing in a State, has the meaning given such term by the State under section 635(a)(1).</p> <p>(4) EARLY INTERVENTION SERVICES- The term 'early intervention services' means developmental services that --</p> <p>(A) are provided under public supervision;</p> <p>(B) are provided at no cost except where Federal or State law provides for a system of payments by families, including a schedule of sliding fees;</p> <p>(C) are designed to meet the developmental needs of an infant or toddler with a disability in any one or more of the following areas --</p> <p>(i) physical development;</p> <p>(ii) cognitive development;</p> <p>(iii) communication development;</p> <p>(iv) social or emotional development; or</p> <p>(v) adaptive development;</p> <p>(D) meet the standards of the State in which they are provided, including the requirements of this part;</p> <p>(E) include --</p> <p>(i) family training, counseling, and home visits;</p> <p>(ii) special instruction;</p> <p>(iii) speech-language pathology and audiology services;</p> <p>(iv) occupational therapy;</p> <p>(v) physical therapy;</p> <p>(vi) psychological services;</p> <p>(vii) service coordination services;</p> <p>(viii) medical services only for diagnostic or evaluation purposes;</p> <p>(ix) early identification, screening, and assessment services;</p>	<p>SEC. 632. DEFINITIONS.</p> <p>In this part:</p> <p>(1) AT-RISK INFANT OR TODDLER.--The term `at-risk infant or toddler' means an individual under 3 years of age who would be at risk of experiencing a substantial developmental delay if early intervention services were not provided to the individual.</p> <p>(2) COUNCIL.--The term `council' means a State interagency coordinating council established under section 641.</p> <p>(3) DEVELOPMENTAL DELAY.--The term `developmental delay', when used with respect to an individual residing in a State, has the meaning given such term by the State under section 635(a)(1).</p> <p>(4) EARLY INTERVENTION SERVICES.--The term `early intervention services' means developmental services that--</p> <p>(A) are provided under public supervision;</p> <p>(B) are provided at no cost except where Federal or State law provides for a system of payments by families, including a schedule of sliding fees;</p> <p>(C) are designed to meet the developmental needs of an infant or toddler with a disability, <b>as identified by the individualized family service plan team</b>, in any 1 or more of the following areas:</p> <p>(i) physical development;</p> <p>(ii) cognitive development;</p> <p>(iii) communication development;</p> <p>(iv) social or emotional development; or</p> <p>(v) adaptive development;</p> <p>(D) meet the standards of the State in which the services are provided, including the requirements of this part;</p> <p>(E) include--</p> <p>(i) family training, counseling, and home visits;</p> <p>(ii) special instruction;</p> <p>(iii) speech-language pathology and audiology services, <b>and sign language and cued language services</b>;</p> <p>(iv) occupational therapy;</p> <p>(v) physical therapy;</p> <p>(vi) psychological services;</p> <p>(vii) service coordination services;</p> <p>(viii) medical services only for diagnostic or evaluation purposes;</p> <p>(ix) early identification, screening, and assessment services;</p>

IDEA '97 - Current Law	H.R. 1350 as Passed by Congress
<p>(x) health services necessary to enable the infant or toddler to benefit from the other early intervention services;</p> <p>(xi) social work services;</p> <p>(xii) vision services;</p> <p>(xiii) assistive technology devices and assistive technology services; and</p> <p>(xiv) transportation and related costs that are necessary to enable an infant or toddler and the infant's or toddler's family to receive another service described in this paragraph;</p> <p>(F) are provided by qualified personnel, including --</p> <p>(i) special educators;</p> <p>(ii) speech-language pathologists and audiologists;</p> <p>(iii) occupational therapists;</p> <p>(iv) physical therapists;</p> <p>(v) psychologists;</p> <p>(vi) social workers;</p> <p>(vii) nurses;</p> <p>(viii) nutritionists;</p> <p>(ix) family therapists;</p> <p>(x) orientation and mobility specialists; and</p> <p>(xi) pediatricians and other physicians;</p> <p>(G) to the maximum extent appropriate, are provided in natural environments, including the home, and community settings in which children without disabilities participate; and</p> <p>(H) are provided in conformity with an individualized family service plan adopted in accordance with section 636.</p> <p>(5) INFANT OR TODDLER WITH A DISABILITY- The term 'infant or toddler with a disability' --</p> <p>(A) means an individual under 3 years of age who needs early intervention services because the individual --</p> <p>(i) is experiencing developmental delays, as measured by appropriate diagnostic instruments and procedures in one or more of the areas of cognitive development, physical development, communication development, social or emotional development, and adaptive development; or</p> <p>(ii) has a diagnosed physical or mental condition which has a high probability of resulting in developmental delay; and</p> <p>(B) may also include, at a State's discretion, at-risk infants and</p>	<p>(x) health services necessary to enable the infant or toddler to benefit from the other early intervention services;</p> <p>(xi) social work services;</p> <p>(xii) vision services;</p> <p>(xiii) assistive technology devices and assistive technology services; and</p> <p>(xiv) transportation and related costs that are necessary to enable an infant or toddler and the infant's or toddler's family to receive another service described in this paragraph;</p> <p>(F) are provided by qualified personnel, including--</p> <p>(i) special educators;</p> <p>(ii) speech-language pathologists and audiologists;</p> <p>(iii) occupational therapists;</p> <p>(iv) physical therapists;</p> <p>(v) psychologists;</p> <p>(vi) social workers;</p> <p>(vii) nurses;</p> <p>(viii) registered dietitians;</p> <p>(ix) family therapists;</p> <p><b>(x) vision specialists, including ophthalmologists and optometrists;</b></p> <p>(xi) orientation and mobility specialists; and</p> <p>(xii) pediatricians and other physicians;</p> <p>(G) to the maximum extent appropriate, are provided in natural environments, including the home, and community settings in which children without disabilities participate; and</p> <p>(H) are provided in conformity with an individualized family service plan adopted in accordance with section 636.</p> <p>(5) INFANT OR TODDLER WITH A DISABILITY.--The term `infant or toddler with a disability'--</p> <p>(A) means an individual under 3 years of age who needs early intervention services because the individual--</p> <p>(i) is experiencing developmental delays, as measured by appropriate diagnostic instruments and procedures in 1 or more of the areas of cognitive development, physical development, communication development, social or emotional development, and adaptive development; or</p> <p>(ii) has a diagnosed physical or mental condition that has a high probability of resulting in developmental delay; and</p> <p>(B) may also include, at a State's discretion--</p>

IDEA '97 - Current Law	H.R. 1350 as Passed by Congress
<p>toddlers.</p> <p>SEC. 633. GENERAL AUTHORITY. The Secretary shall, in accordance with this part, make grants to States (from their allotments under section 643) to assist each State to maintain and implement a statewide, comprehensive, coordinated, multidisciplinary, interagency system to provide early intervention services for infants and toddlers with disabilities and their families.</p> <p>SEC. 634. ELIGIBILITY. In order to be eligible for a grant under section 633, a State shall demonstrate to the Secretary that the State --</p> <ul style="list-style-type: none"> <li>(1) has adopted a policy that appropriate early intervention services are available to all infants and toddlers with disabilities in the State and their families, including Indian infants and toddlers with disabilities and their families residing on a reservation geographically located in the State; and</li> <li>(2) has in effect a statewide system that meets the requirements of section 635.</li> </ul> <p>SEC. 635. <p>whether or not such programs or activities are receiving assistance made available under <a href="#">section 633</a>, to ensure that the State complies with this part;</p> <p>(B) the identification and coordination of all available resources within the State from Federal, State, local, and private sources;</p> <p>(C) the assignment of financial responsibility in accordance with <a href="#">section 637(a)(2)</a> to the appropriate agencies;</p> <p>(D) the development of procedures to ensure that services are provided to infants and toddlers with disabilities and their families under this part in a timely manner pending the resolution of any disputes among public agencies or service providers;</p> <p>(E) the resolution of intra- and interagency disputes; and</p> <p>(F) the entry into formal interagency agreements that define the financial responsibility of each agency for paying for early intervention services (consistent with State law) and procedures for resolving disputes and that include all additional components necessary to ensure meaningful cooperation and coordination.</p> <p>(11) A policy pertaining to the contracting or making of other arrangements with service providers to provide early intervention services in the State, consistent with the provisions of this part, including the contents of the application used and the conditions of the contract or other arrangements.</p> <p>(12) A procedure for securing timely reimbursements of funds used under this part in accordance with <a href="#">section 640(a)</a>.</p> <p>(13) Procedural safeguards with respect to programs under this part, as required by <a href="#">section 639</a>.</p> <p>(14) A system for compiling data requested by the Secretary under <a href="#">section 618</a> that relates to this part.</p> <p>(15) A State interagency coordinating council that meets the requirements of <a href="#">section 641</a>.</p> <p>(16) Policies and procedures to ensure that, consistent with <a href="#">section 636(d)(5)</a> --</p> <p>(A) to the maximum extent appropriate, early intervention services are provided in natural environments; and</p> <p>(B) the provision of early intervention services for any infant or toddler occurs in a setting other than a natural environment only when early intervention cannot be achieved satisfactorily for the infant or toddler in a natural environment.</p>	<p>receiving assistance under section 633, and the monitoring of programs and activities used by the State to carry out this part, whether or not such programs or activities are receiving assistance made available under section 633, to ensure that the State complies with this part;</p> <p>(B) the identification and coordination of all available resources within the State from Federal, State, local, and private sources;</p> <p>(C) the assignment of financial responsibility in accordance with section 637(a)(2) to the appropriate agencies;</p> <p>(D) the development of procedures to ensure that services are provided to infants and toddlers with disabilities and their families under this part in a timely manner pending the resolution of any disputes among public agencies or service providers;</p> <p>(E) the resolution of intra- and interagency disputes; and</p> <p>(F) the entry into formal interagency agreements that define the financial responsibility of each agency for paying for early intervention services (consistent with State law) and procedures for resolving disputes and that include all additional components necessary to ensure meaningful cooperation and coordination.</p> <p>(11) A policy pertaining to the contracting or making of other arrangements with service providers to provide early intervention services in the State, consistent with the provisions of this part, including the contents of the application used and the conditions of the contract or other arrangements.</p> <p>(12) A procedure for securing timely reimbursements of funds used under this part in accordance with section 640(a).</p> <p>(13) Procedural safeguards with respect to programs under this part, as required by section 639.</p> <p>(14) A system for compiling data requested by the Secretary under section 618 that relates to this part.</p> <p>(15) A State interagency coordinating council that meets the requirements of section 641.</p> <p>(16) Policies and procedures to ensure that, consistent with section 636(d)(5)--</p> <p>(A) to the maximum extent appropriate, early intervention services are provided in natural environments; and</p> <p>(B) the provision of early intervention services for any infant or toddler with a disability occurs in a setting other than a natural environment <b>that is most appropriate, as determined by the parent and the individualized</b></p>

IDEA '97 - Current Law	H.R. 1350 as Passed by Congress
<p>(b) POLICY- In implementing <a href="#">subsection (a)(9)</a>, a State may adopt a policy that includes making ongoing good-faith efforts to recruit and hire appropriately and adequately trained personnel to provide early intervention services to infants and toddlers with disabilities, including, in a geographic area of the State where there is a shortage of such personnel, the most qualified individuals available who are making satisfactory progress toward completing applicable course work necessary to meet the standards described in <a href="#">subsection (a)(9)</a>, consistent with State law within 3 years.</p>	<p><b>family service plan team</b>, only when early intervention cannot be achieved satisfactorily for the infant or toddler in a natural environment.</p> <p>(b) POLICY.--In implementing subsection (a)(9), a State may adopt a policy that includes making ongoing good-faith efforts to recruit and hire appropriately and adequately trained personnel to provide early intervention services to infants and toddlers with disabilities, including, in a geographic area of the State where there is a shortage of such personnel, the most qualified individuals available who are making satisfactory progress toward completing applicable course work necessary to meet the standards described in subsection (a)(9).</p> <p><b>(c) Flexibility To Serve Children 3 Years of Age Until Entrance Into Elementary School.--</b></p> <p><b>(1) IN GENERAL.--</b>A statewide system described in section 633 may include a State policy, developed and implemented jointly by the lead agency and the State educational agency, under which parents of children with disabilities who are eligible for services under section 619 and previously received services under this part, may choose the continuation of early intervention services (which shall include an educational component that promotes school readiness and incorporates preliteracy, language, and numeracy skills) for such children under this part until such children enter, or are eligible under State law to enter, kindergarten.</p> <p><b>(2) REQUIREMENTS.--</b>If a statewide system includes a State policy described in paragraph (1), the statewide system shall ensure that--</p> <p><b>(A)</b> parents of children with disabilities served pursuant to this subsection are provided annual notice that contains--</p> <ul style="list-style-type: none"> <li>(i) a description of the rights of such parents to elect to receive services pursuant to this subsection or under part B; and</li> <li>(ii) an explanation of the differences between services provided pursuant to this subsection and services provided under part B, including-- <ul style="list-style-type: none"> <li>(I) types of services and the locations at which the services are provided;</li> <li>(II) applicable procedural safeguards; and</li> <li>(III) possible costs (including any fees to be charged to families as described in section 632(4)(B)), if any, to parents of infants or toddlers with disabilities;</li> </ul> </li> </ul> <p><b>(B)</b> services provided pursuant to this subsection include an educational component that promotes school readiness and incorporates preliteracy, language, and numeracy skills;</p> <p><b>(C)</b> the State policy will not affect the right of any child served pursuant to</p>

IDEA '97 - Current Law	H.R. 1350 as Passed by Congress
<p>SEC. 636. INDIVIDUALIZED FAMILY SERVICE PLAN.</p> <p>(a) ASSESSMENT AND PROGRAM DEVELOPMENT- A statewide system described in section 633 shall provide, at a minimum, for each</p>	<p>this subsection to instead receive a free appropriate public education under part B;</p> <p>(D) all early intervention services outlined in the child's individualized family service plan under section 636 are continued while any eligibility determination is being made for services under this subsection;</p> <p>(E) the parents of infants or toddlers with disabilities (as defined in section 632(5)(A)) provide informed written consent to the State, before such infants or toddlers reach 3 years of age, as to whether such parents intend to choose the continuation of early intervention services pursuant to this subsection for such infants or toddlers;</p> <p>(F) the requirements under section 637(a)(9) shall not apply with respect to a child who is receiving services in accordance with this subsection until not less than 90 days (and at the discretion of the parties to the conference, not more than 9 months) before the time the child will no longer receive those services; and</p> <p>(G) there will be a referral for evaluation for early intervention services of a child who experiences a substantiated case of trauma due to exposure to family violence (as defined in section 320 of the Family Violence Prevention and Services Act).</p> <p>(3) REPORTING REQUIREMENT.--If a statewide system includes a State policy described in paragraph (1), the State shall submit to the Secretary, in the State's report under section 637(b)(4)(A), a report on the number and percentage of children with disabilities who are eligible for services under section 619 but whose parents choose for such children to continue to receive early intervention services under this part.</p> <p>(4) AVAILABLE FUNDS.--If a statewide system includes a State policy described in paragraph (1), the policy shall describe the funds (including an identification as Federal, State, or local funds) that will be used to ensure that the option described in paragraph (1) is available to eligible children and families who provide the consent described in paragraph (2)(E), including fees (if any) to be charged to families as described in section 632(4)(B).</p> <p>(5) RULES OF CONSTRUCTION.--</p> <p>(A) SERVICES UNDER PART B.--If a statewide system includes a State policy described in paragraph (1), a State that provides services in accordance with this subsection to a child with a disability who is eligible for services under section 619 shall not be required to provide the child with a free appropriate public education under part B for the period of time in which the child is receiving services under this part.</p> <p>(B) SERVICES UNDER THIS PART.--Nothing in this subsection shall be construed to require a provider of services under this part to provide a child served under this part with a free appropriate public education.</p> <p>SEC. 636. INDIVIDUALIZED FAMILY SERVICE PLAN.</p>

IDEA '97 - Current Law	H.R. 1350 as Passed by Congress
<p>infant or toddler with a disability, and the infant's or toddler's family, to receive --</p> <p>(1) a multidisciplinary assessment of the unique strengths and needs of the infant or toddler and the identification of services appropriate to meet such needs;</p> <p>(2) a family-directed assessment of the resources, priorities, and concerns of the family and the identification of the supports and services necessary to enhance the family's capacity to meet the developmental needs of the infant or toddler; and</p> <p>(3) a written individualized family service plan developed by a multidisciplinary team, including the parents, as required by subsection (e).</p> <p>(b) PERIODIC REVIEW- The individualized family service plan shall be evaluated once a year and the family shall be provided a review of the plan at 6-month intervals (or more often where appropriate based on infant or toddler and family needs).</p> <p>(c) PROMPTNESS AFTER ASSESSMENT- The individualized family service plan shall be developed within a reasonable time after the assessment required by subsection (a)(1) is completed. With the parents' consent, early intervention services may commence prior to the completion of the assessment.</p> <p>(d) CONTENT OF PLAN- The individualized family service plan shall be in writing and contain –</p> <p>(1) a statement of the infant's or toddler's present levels of physical development, cognitive development, communication development, social or emotional development, and adaptive development, based on objective criteria;</p> <p>(2) a statement of the family's resources, priorities, and concerns relating to enhancing the development of the family's infant or toddler with a disability;</p> <p>(3) a statement of the major outcomes expected to be achieved for the infant or toddler and the family, and the criteria, procedures, and timelines used to determine the degree to which progress toward achieving the outcomes is being made and whether modifications or revisions of the outcomes or services are necessary;</p>	<p>(a) ASSESSMENT AND PROGRAM DEVELOPMENT.--A statewide system described in section 633 shall provide, at a minimum, for each infant or toddler with a disability, and the infant's or toddler's family, to receive—</p> <p>(1) a multidisciplinary assessment of the unique strengths and needs of the infant or toddler and the identification of services appropriate to meet such needs;</p> <p>(2) a family-directed assessment of the resources, priorities, and concerns of the family and the identification of the supports and services necessary to enhance the family's capacity to meet the developmental needs of the infant or toddler; and</p> <p>(3) a written individualized family service plan developed by a multidisciplinary team, including the parents, as required by subsection (e), <b>including a description of the appropriate transition services for the infant or toddler.</b></p> <p>(b) PERIODIC REVIEW.--The individualized family service plan shall be evaluated once a year and the family shall be provided a review of the plan at 6-month intervals (or more often where appropriate based on infant or toddler and family needs).</p> <p>(c) PROMPTNESS AFTER ASSESSMENT.--The individualized family service plan shall be developed within a reasonable time after the assessment required by subsection (a)(1) is completed. With the parents' consent, early intervention services may commence prior to the completion of the assessment.</p> <p>(d) CONTENT OF PLAN.--The individualized family service plan shall be in writing and contain--</p> <p>(1) a statement of the infant's or toddler's present levels of physical development, cognitive development, communication development, social or emotional development, and adaptive development, based on objective criteria;</p> <p>(2) a statement of the family's resources, priorities, and concerns relating to enhancing the development of the family's infant or toddler with a disability;</p> <p>(3) a statement of the <b>measurable results</b> or outcomes expected to be achieved for the infant or toddler and the family, <b>including pre-literacy and language skills, as developmentally appropriate for the child, and the</b></p>

IDEA '97 - Current Law	H.R. 1350 as Passed by Congress
<p>(4) a statement of specific early intervention services necessary to meet the unique needs of the infant or toddler and the family, including the frequency, intensity, and method of delivering services;</p> <p>(5) a statement of the natural environments in which early intervention services shall appropriately be provided, including a justification of the extent, if any, to which the services will not be provided in a natural environment;</p> <p>(6) the projected dates for initiation of services and the anticipated duration of the services;</p> <p>(7) the identification of the service coordinator from the profession most immediately relevant to the infant's or toddler's or family's needs (or who is otherwise qualified to carry out all applicable responsibilities under this part) who will be responsible for the implementation of the plan and coordination with other agencies and persons; and</p> <p>(8) the steps to be taken to support the transition of the toddler with a disability to preschool or other appropriate services.</p> <p>(e) PARENTAL CONSENT- The contents of the individualized family service plan shall be fully explained to the parents and informed written consent from the parents shall be obtained prior to the provision of early intervention services described in such plan. If the parents do not provide consent with respect to a particular early intervention service, then the early intervention services to which consent is obtained shall be provided.</p> <p>SEC. 637. STATE APPLICATION AND ASSURANCES.</p> <p>(a) APPLICATION- A State desiring to receive a grant under <a href="#">section 633</a> shall submit an application to the Secretary at such time and in such manner as the Secretary may reasonably require. The application shall contain –</p> <p>(1) a designation of the lead agency in the State that will be responsible for the administration of funds provided under <a href="#">section 633</a>;</p> <p>(2) a designation of an individual or entity responsible for assigning financial responsibility among appropriate agencies;</p> <p>(3) information demonstrating eligibility of the State under <a href="#">section 634</a>, including --</p>	<p><b>criteria, procedures</b>, and timelines used to determine the degree to which progress toward achieving the <b>results or</b> outcomes is being made and whether modifications or revisions of the <b>results or</b> outcomes or services are necessary;</p> <p>(4) a statement of specific early intervention services <b>based on peer-reviewed research, to the extent practicable</b>, necessary to meet the unique needs of the infant or toddler and the family, including the frequency, intensity, and method of delivering services;</p> <p>(5) a statement of the natural environments in which early intervention services will appropriately be provided, including a justification of the extent, if any, to which the services will not be provided in a natural environment;</p> <p>(6) the projected dates for initiation of services and the anticipated length, duration, and frequency of the services;</p> <p>(7) the identification of the service coordinator from the profession most immediately relevant to the infant's or toddler's or family's needs (or who is otherwise qualified to carry out all applicable responsibilities under this part) who will be responsible for the implementation of the plan and coordination with other agencies and persons, <b>including transition services</b>; and</p> <p>(8) the steps to be taken to support the transition of the toddler with a disability to preschool or other appropriate services.</p> <p>(e) PARENTAL CONSENT.--The contents of the individualized family service plan shall be fully explained to the parents and informed written consent from the parents shall be obtained prior to the provision of early intervention services described in such plan. If the parents do not provide consent with respect to a particular early intervention service, then only the early intervention services to which consent is obtained shall be provided.</p> <p>SEC. 637. STATE APPLICATION AND ASSURANCES.</p> <p>(a) APPLICATION.--A State desiring to receive a grant under section 633 shall submit an application to the Secretary at such time and in such manner as the Secretary may reasonably require. The application shall contain--</p> <p>(1) a designation of the lead agency in the State that will be responsible for the administration of funds provided under section 633;</p> <p><b>(2) a certification to the Secretary that the arrangements to establish financial responsibility for services provided under this part pursuant to</b></p>

IDEA '97 - Current Law	H.R. 1350 as Passed by Congress
<p>(A) information demonstrating to the Secretary's satisfaction that the State has in effect the statewide system required by <a href="#">section 633</a>; and</p> <p>(B) a description of services to be provided to infants and toddlers with disabilities and their families through the system;</p> <p>(4) if the State provides services to at-risk infants and toddlers through the system, a description of such services;</p> <p>(5) a description of the uses for which funds will be expended in accordance with this part;</p> <p>(6) a description of the procedure used to ensure that resources are made available under this part for all geographic areas within the State;</p> <p>(7) a description of State policies and procedures that ensure that, prior to the adoption by the State of any other policy or procedure necessary to meet the requirements of this part, there are public hearings, adequate notice of the hearings, and an opportunity for comment available to the general public, including individuals with disabilities and parents of infants and toddlers with disabilities;</p> <p>(8) a description of the policies and procedures to be used --</p> <p>(A) to ensure a smooth transition for toddlers receiving early intervention services under this part to preschool or other appropriate services, including a description of how --</p> <p>(i) the families of such toddlers will be included in the transition plans required by <a href="#">subparagraph (C)</a>; and</p> <p>(ii) the lead agency designated or established under section <a href="#">635(a)(10)</a> will --</p> <p>(I) notify the local educational agency for the area in which such a child resides that the child will shortly reach the age of eligibility for preschool services under <a href="#">part B</a>, as determined in accordance with State law;</p> <p>(II) in the case of a child who may be eligible for such preschool services, with the approval of the family of the child, convene a conference among the lead agency, the family, and the local educational agency at least 90 days (and at the discretion of all such parties, up to 6 months) before the child is eligible for the</p>	<p><b>section 640(b) are current as of the date of submission of the certification;</b></p> <p>(3) information demonstrating eligibility of the State under section 634, including--</p> <p>(A) information demonstrating to the Secretary's satisfaction that the State has in effect the statewide system required by section 633; and</p> <p>(B) a description of services to be provided to infants and toddlers with disabilities and their families through the system;</p> <p>(4) if the State provides services to at-risk infants and toddlers through the statewide system, a description of such services;</p> <p>(5) a description of the uses for which funds will be expended in accordance with this part;</p> <p><b>(6) a description of the State policies and procedures that require the referral for early intervention services under this part of a child under the age of 3 who--</b></p> <p><b>(A) is involved in a substantiated case of child abuse or neglect; or</b></p> <p><b>(B) is identified as affected by illegal substance abuse, or withdrawal symptoms resulting from prenatal drug exposure;</b></p> <p>(7) a description of the procedure used to ensure that resources are made available under this part for all geographic areas within the State;</p> <p>(8) a description of State policies and procedures that ensure that, prior to the adoption by the State of any other policy or procedure necessary to meet the requirements of this part, there are public hearings, adequate notice of the hearings, and an opportunity for comment available to the general public, including individuals with disabilities and parents of infants and toddlers with disabilities;</p> <p>(9) a description of the policies and procedures to be used--</p> <p>(A) to ensure a smooth transition for toddlers receiving early intervention services under this <b>part (and children receiving those services under section 635(c)) to preschool, school, other appropriate services, or exiting the program</b>, including a description of how--</p> <p>(i) the families of such toddlers and children will be included in the transition plans required by subparagraph (C); and</p> <p>(ii) the lead agency designated or established under section 635(a)(10) will--</p> <p>(I) notify the local educational agency for the area in which such a child resides that the child will shortly reach the age of eligibility for preschool services under part B, as determined in accordance with State law;</p> <p>(II) in the case of a child who may be eligible for such preschool services, with the approval of the family of the child, convene a</p>
